Go Beyond Ordinary.

Deckorators provides lifestyle-enhancing products that personalize and accessorize your decking and railing. The pioneering spirit behind our brand keeps us on the leading edge of design innovation. As the first name in quality and selection, Deckorators will be your brand of choice for your entire decking project, creating an outdoor space as unique as you.

It's a reputation we're proud to stand behind. That's why Deckorators products are backed by some of the best warranties in the industry.

Beyond all this, we also offer the tools to inspire you. At [Deckorators.com](https://www.deckorators.com), gather ideas from our photo gallery, then create your own virtual deck using our Deck Visualizer. Check out tips and tricks on [Deckorators.com/blog](https://www.deckorators.com/blog) and YouTube. And don't forget to follow us on Pinterest, Twitter and Facebook, too.

Love what you see? We've vetted a list of local contractors—just for you. Locate the best, most reliable, qualified contractors in your area at [Deckorators.com](https://www.deckorators.com).

Inside You'll Find:

Decking

PAGES 4-7

Deckorators proudly introduces a new line of decking products for 2015, all backed by our 25-year structural, stain and fade, and removal and replacement warranties.

Railing

PAGES 8-13

Deckorators railing systems are compatible with most Deckorators balusters and accessories, offering unmatched design flexibility.

Balusters

PAGES 14-15

Deckorators is the pioneer in baluster styling. We now offer more than 40 options in the sizes, colors and finishes to personalize your outdoor décor.

Accessories

PAGES 16-17

Deckorators innovative accessories coordinate perfectly with our railings and balusters.

Post Caps

PAGES 18-20

Deckorators offers more post cap styles than any other brand – more than 70 options with a wide variety of base materials to choose from.

Lighting

PAGES 24-26

Deckorators extensive lighting selection includes low voltage and solar options for post caps, baluster lights and recessed lighting.

Lattice

PAGE 27

Deckorators lattice is versatile and sturdy. Our new paintable lattice allows you to match your lattice to your indoor and outdoor spaces.

Warranties

NEW
2015

Deckorators products are backed by an industry-leading warranty. Our new 25-year removal and replacement warranty is the first of its kind. We have you covered.

Decking and CXT Railing

- 25-year structural
- 25-year stain and fade
- 25-year removal and replacement

ALX Railing and Balusters

- Lifetime limited on manufacturing defects and powder-coating
- 25-year removal and replacement

Decking has arrived.

NEW
2015

Deckorators decking is the next progression in composite technology. Our unique Strandex® extrusion process results in a stronger and more reliable deck board. By capping our board with some of the most durable polymer technology available, and embossing it with a realistic vertical woodgrain pattern, Deckorators decking provides an ultra-durable, ultra low-maintenance product that's the perfect combination of strength and style. Going beyond the ordinary is what Deckorators is known for and it's why our decking warranty is the industry's best: 25-year structural, 25-year stain & fade and 25-year removal & replacement. Offering various style and color options that range from transitional to rustic, Deckorators decking truly is beyond ordinary.

DECKORATORS CLASSIC™ DECKING

For a traditional look, our solid color board features all the performance you expect from an ultra low-maintenance, capped composite deck board.

DECKORATORS VISTA™ DECKING

Variegated boards give the look of tropical hardwood with the performance of composite.

DECKORATORS HERITAGE™ DECKING

A weathered look and enhanced grain pattern accentuates the rustic undertones of our Heritage colors.

Hidden Fasteners

The Stowaway™ Hidden Fastener discreetly secures deck boards to joists with a single stainless steel, color-matched screw. The Stowaway screw comes preloaded, making the installation process faster, saving time and money. This system results in a beautiful, smooth and virtually fastener-free deck surface. Deck boards are automatically spaced at proper intervals, and the need for predrilling and countersinking are eliminated.

Stowaway Hidden Fastener

Deck Board Profiles

Slotted-edge decking gives an undisturbed, fastener-free appearance to the surface of your Deckorators board. The Stowaway fastener system correctly spaces your decking during installation to speed up the process.

The solid-edge board is perfect for use when board edges are visible, such as a picture-frame boards and stair treads. Solid boards should be facemounted with composite wood deck screws.

CXT Railing System

Our co-extruded rails are made from two layers of scratch- and weather-resistant materials. CXT composite railing offers ultra-durable, ultra-low maintenance beauty and performance with the look of real painted wood—all while boasting our 25-year structural, stain & fade, and removal & replacement warranties. Its compatibility with most Deckorators balusters and accessories offers a customized railing system you can call your own.

ALX Railing System

Featuring two railing profiles made of heavy-gauge aluminum with a thick powder-coated finish, Deckorators aluminum railings offer great looks and long-lasting performance—all backed by a lifetime limited warranty on manufacturing defects and powder coating and a 25-year removal & replacement warranty.

Designer tip

Use a Traditional post sleeve for standard railings. For a statelier look, use Paramount post sleeves at the end of stairways or long runs.

CXT Pro Railing

CXT Pro allows you to design a railing system that's perfectly suited to your taste. The versatility of this railing lets you mix and match rails, post sleeves, balusters and post caps for endless style and design possibilities. Simply choose your rail profile, customize your baluster infill, pick your post sleeves, and top it off with your favorite decorative post caps.

Style tip

Think beyond the deck! Post caps are a great way to add a unique finishing touch to fences, dock posts, signs, mailbox posts and more.

VersaCaps™: get the right fit

Add pizzazz to deck railings with decorative post caps—one of the most prominent features of any outdoor living space. Deckorators® VersaCaps let you top posts beautifully, no matter the size, with an array of styles and multiple colors.

Each 4x4 VersaCap comes with three removable collar inserts nested inside the base. Fit the cap snugly atop any post ranging from 3-1/2" to 4-5/8" square simply by removing the necessary number of inserts. The 6x6 solar VersaCap

includes two inserts to fit post sizes between 5" and 5-1/2" square.

VersaCaps add style to posts made of wood, vinyl or composite, and work with our CXT post sleeves and most leading post sleeves on the market.

Light your way.

Low Voltage Lighting Clip System

Deckorators newest line of low-voltage lighting products features a straightforward clip system, making installation of outdoor lighting projects simpler and quicker than ever. Each component's clip simply plugs into a junction box. This system includes lighting for tops and sides of posts, rails and decks, as well as everything needed to connect to a low-voltage power system. All lighting components feature warm, white LED lights. We also offer a converter clip, which allows almost any low-voltage light source to be installed with our system.
