Introducing Turncraft's

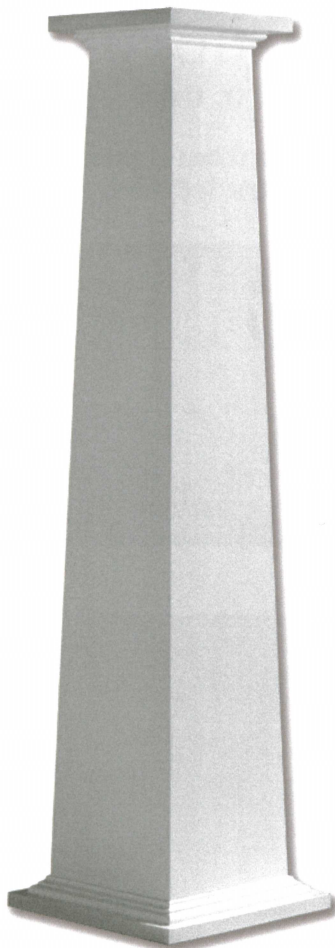

STRUCTURAL
(10,000 lb)

POLY-CLASSIC®
DuraGlass Bungalow

Tapered Square Columns

Made from lightweight
pultruded fiberglass

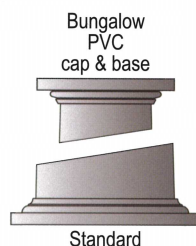

Bungalow style columns are as popular today as they were 100 years ago and with today's manufacturing processes we are now able to make a product in the Bungalow style that will last a lifetime.

Turncraft's DuraGlass Tapered Square Bungalow Columns offer structural strength and beauty in a variety of sizes. All of these Bungalow columns can be field-trimmed for a perfect fit and just like all of our DuraGlass columns these are extremely strong and lightweight. In fact, they are the lightest on the market.

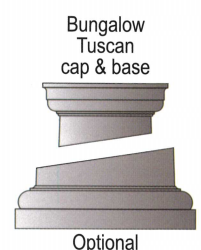

Our lightweight Bungalow style columns are an industry exclusive only available from Turncraft and will support up to 10,000 lb.

Bungalow columns are available with Craftsman or Tuscan style cap and base sets. Custom sizes up to 20" wide and 24' long, call for a price quote.
